## Love our products – or your money back

We offer a 30-day money-back guarantee on all our products. If you are not totally satisfied, provided you have taken care of the goods whilst they are in your possession, you may return them to your distributor within 30 days of receipt for a full refund. Goods returned more than 14 days after receipt must be in their original condition and packaging and be accompanied by a receipt.

### Terms and Conditions

1. Your distributor will deliver all your goods to you within 14 days of receipt of your order form.
2. Payment for all goods, need not be made to your distributor until receipt of your goods.
3. All prices referred to in the catalogue are recommended resale prices and are inclusive of VAT.

4. All orders are subject to availability.
5. Due to continuous product development, the goods supplied to you may differ slightly from those illustrated in the catalogue. Measurements and capacities quoted are approximate.
6. The order form forms a contract between you and the Kleeneze distributor.

**TELEPHONE MONITORING:** From time to time we monitor and record telephone calls our staff receive and make, in order to ensure that the service we provide is of the highest standard. ISSUER: In the UK this catalogue is issued by Kleeneze Ltd.

Under the Waste Battery Regulations, Kleeneze are now offering a take back scheme for all portable waste batteries. You can return your waste batteries to our distribution depot at Marlborough Mill, Ridgefield Street, Failsworth, M35 0HJ in person (PLEASE DO NOT POST). Alternatively, you can find your local waste portable battery recycling facility at [www.recycleonow.com](http://www.recycleonow.com). Most supermarkets and shops that sell batteries will have collection bins for used batteries, and some town halls, libraries or schools may also set up collection points. End-users may find stores in their local area more accessible.

Due to the Government regulations called Waste Electrical and Electronic Equipment (WEEE) all battery and electrical equipment sold by Kleeneze will carry the wheeled bin symbol. Items carrying this symbol should not be disposed of in normal household waste. The WEEE regulations are designed to reduce waste production and improve the environment. Kleeneze is part of the Valpak DTS recycling scheme. To find your nearest disposal site please go to [www.recycle-more.co.uk](http://www.recycle-more.co.uk) and use the Bank locator by entering your post code, or you can dispose of your WEEE goods in your local Civic Amenity site. Most supermarkets and shops that sell batteries will have collection bins for used batteries, and some town halls, libraries or schools may also have collection points.
